The proper planting of the home grounds is an art.

You employ an architect to plan your house, why not a Landscape Architect to plan your planting, and don't trust this important part to an UNTRAINED person.

We offer the service of one trained in the Lowthorpe Landscape School at Groton, Mass., we think the best school of any.

Wherever you may get your plan, let us supply the stock to plant.

We invite you to visit our Show Garden at any time. Ask all the questions you wish, we are glad to have you.
